THE NOVEL

The Senior Class of Waverly High School is proud to present to you the pictorial history of the drama of the 1963 school year. We hope you will enjoy our drama, and that you will find some of your friends and even yourself . . .

WHS

WE DEDICATE

The 1963 Senior Class of Waverly High School is proud to dedicate THE NOVEL to Arthur Pfeifer. Art is a native of Pike County and has been an employee of Waverly High School for the past twelve years.

His cheery smile, his courteous manner, and his willingness to lend a helping hand wherever he can, make Art a favorite of all. In everything from adjusting the heat to helping to set the stage for various school activities, we always know we can depend on Art.

We are happy to have this opportunity to show our appreciation to Art for being what he is -- our friend.

WAVERLY HIGH SCHOOL

As every play must have a setting, so this building is the scene for the drama of the 1963 school year. Much of the action of the school year had its beginning here. Some of it ended here also, but results of this year will continue to grow and spread as long as there are people who have been associated with this school.

To the students who have attended this school, mention of Waverly High School will bring to mind, centered in all the memories, a picture of the building itself. With all its new additions, it remains much the same, a place where in a democracy such as ours, each person can gain, to the best of his ability, a high school education.

The youth of today are the hope of tomorrow, and this building has played its part in preparing its students to take their places proudly and to do their share.

Six sophomore boys decided to join the fad for the fifty-mile hike -- and made it with two miles to spare. David Hontos, Tom Newman, Dick Holthaus, Mike Christy, Medka Thompson, and Tom Fosson (shown here on their return) left Waverly at 1:00 on a Saturday morning, after having attended a ball game, and completed the hike by 7:30 that evening. In less than eighteen hours they walked from Waverly to a spot four miles past the V.A. Hospital in Chillicothe, and back. Of that time, the boys spent five hours eating and resting. We congratulate these boys who have proved that today's teenagers can reach almost any goal they set for themselves.

Physical Education

Some of the boys, under the direction of Jack Pobst, are shown in a game of class basketball.

The goal of the Waverly High School Physical Education Department is to build strong bodies and good co-ordination. To attain that goal, every freshman boy and girl have regularly scheduled classes, alternating the study of health with actual practice on physical education days.

Girls, under the direction of Faye Knight, are shown in the center and bottom pictures in some of the positions which show their co-ordination. If you think these positions look simple, try them some-time.

In addition to the activities shown here, the physical education program has various other games, exercises, and dances.

1962-1963 MEMBERS

Named after an Ohio governor native to Pike County, the Robert Lucas Chapter of the National Honor Society was formed in the fall of 1960. The constitution was written by a committee of juniors under the supervision of two faculty sponsors, Miss Johanna Samson and Mrs. Edith Dawson, and was approved by the National Association of Secondary School Principals.

Standards of eligibility are high: members must be in the sixth semester of high school, must have maintained a scholastic average of B plus, must have attended Waverly High School for one year, and must be chosen by a faculty council on the basis of character, leadership, scholarship, and service. Notwithstanding these high qualifications, twelve seniors were accepted in April of 1961.

VALEDICTORIAN

Kay Oyer, the daughter of Mr. & Mrs. Orville Oyer, ended her high school years with a point average of 10.64, the highest in her class of ninety-two graduating seniors.

In addition to her outstanding academic record, Kay has played a saxophone in the high school band, has been a member of the district-state scholarship team in English for two years, and has served as vice-president of her junior and senior classes and the National Honor Society Chapter.

SALUTATORIAN

Gordon Bevens, son of Mr. and Mrs. Wray Bevens, ended his high school years with 10.09, the second highest in class.

In addition to his excellent scholastic record, Gordon has played in the band, played basketball for one year, and has been on the district-state scholarship teams for all four years. He, too, was a member of the National Honor Society Chapter, and served as its president.
